From City Centre walking

From the centre of Leeds proceed down Briggate, then Lower Briggate, and cross the River Aire over Leeds Bridge. On reaching the Adelphi pub you will see Leeds Bridge House in front of you. It's a very distinctive red brick building, (which looks like the Flat Iron Building in New York). The picture on the left shows the building as you approach it. Go to the right of the building and the entrance to Leeds Counselling is towards the rear of the building. Press the buzzer to gain entry and come up to the second floor.
